Delivering Trust & Taste
Across the Globe

Our Legacy – Since 1952, A Tradition of Trust

In 1952, our journey began when Shri Hemraj Ji Dosi (Great Grandfather) and Shri Shrichand ji Dosi (Grandfather) moved from the small village of Badu and laid the foundation of our legacy in Merta City by opening a humble grocery shop. His determination and values of trust and honesty became the cornerstone of our business philosophy.

Over time, the family ventured into jaggery and sugar trading, soon acquiring a godown near Gandhi Chowk. From there, we entered the world of local commission trading (Aadhat) and open auction purchases, steadily building our reputation

1st Generation: Shri Hemraj Ji Dosi
2nd Generation: Shri SHRICHAND Ji Dosi

A Turning Point – The 1970s

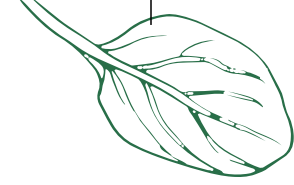

In the 1970s, Shri Hastimal Ji Dosi (BCOM) joined the family business, bringing vision and ambition that transformed its future. Under his leadership, our operations expanded beyond Rajasthan — reaching states like Bihar, Bengal, and Assam, with a strong focus on mustard seed trading.

Though spice production in Merta was modest (just 100–200 bags daily), we were counted among the region's top traders, known for our integrity and sharp market insight

3rd Generation Entry Begins: Shri Hastimal Ji Dosi

- Family Strength – The Journey Continues
- 1982: Shri Nemichand Ji Dosi joined the business
- 1986: Shri Shripal Ji Dosi stepped in

Together, along with Hastimal Ji, they laid a strong foundation for modern, organized growth. Their combined leadership brought structure, scale, and sustainability to the enterprise.

3rd Generation Continues: Shri Nemichand Ji & Shri Shripal Ji Dosi

Modern Thinking – 1993 Onwards

The year 1993 marked another milestone - we established a chana dal (gram) processing plant using the most advanced technology of that time. The result? A product line so refined that it commanded premium prices in every market we entered.

Game-Changing Inspiration – Visit to Unjha (1998)

In 1998, a visit to Unjha by Shri Hastimal Ji Dosi proved transformative. Witnessing ITC's Siddhpur machinery, he brought the same cutting-edge technology to Merta, drastically improving our processing capacity and product quality.

Trusted Partners – Serving India's Leading Brands

Over the decades, our commitment to quality and service has earned us the trust of India's most respected spice brands, including: MDH, Goldiee, Everest, and many others.

We continue to deliver reliable services and top-tier products — a symbol of our enduring relationships and legacy.

The Next Chapter – The 4th Generation

- **Nikhil Dosi** – An IITian From IIT Madras building a startup in Bangalore that offers premium co-working spaces.
- **Ankit Dosi** – Innovating in the furniture industry with his own manufacturing unit in Jodhpur.
- **Arihant Dosi** – Actively engaged in managing operations in Merta, carrying forward the family's core business with dedication.

This generation reflects our diversity in vision and unity in values.
